

Food Vender Application Arts in the Park 2023

Sunday October 15

Arts in the Park will be celebrating its 28th Annual Festival sponsored by The Friends of High School Park. Each year the fair draws hundreds of people from the Elkins Park, Cheltenham and neighboring communities who enjoy a day in the park filled with eye-catching arts and crafts, plant sales, children's activities, delicious food, beer, and live entertainment from 11am-4pm. This year the event will take place **Sunday October 15**.

The Friends of High School Park was established as a completely volunteer organization whose mission is to create, manage and preserve a viable native ecosystem in High School Park for the education and enjoyment of the community, in cooperation with Cheltenham Township. We are dedicated to inspiring the community to connect with others and the natural environment through service and learning within the park. In 1996, Arts in the Park was created to raise funds to carry out that mission.
